GIFTS OF GOLD, FRANKINCENSE, AND MYRRH.

Matthew 2:11

January 8, 2023 • The Epiphany of the Lord

SPREAD THE GOOD NEWS

Epiphany is a day when popular customs mostly overshadow scriptural accuracy. Matthew's Gospel never refers to kings coming to see Christ, nor to their number (only the gifts are enumerated), nor to their names. Matthew tells us only that some "magi" came with gold, frankincense, and myrrh. Magos referred to members of the Persian priestly class; later it had the connotation of magicians and astrologers. Matthew's magi report that they have seen a star rising; its light was visible to them far beyond the boundaries of Israel, an early and significant symbol for Jesus, the Light of the World. At the end of Matthew's Gospel (chapter 28), the followers of Jesus worship him, an act foretold in the actions of the Magi today. The eleven are told to make disciples of "all nations," nations symbolized by the Magi. Today we hear our own mission: to worship Jesus Christ, and to spread his Good News everywhere, every day.

STAR OF WONDER

In our day-to-day lives, we can experience epiphanies: new perceptions, unexpected insights, sudden changes in direction. In the liturgical year, Epiphany celebrates the appearance of a star in the heavens, a remarkable star followed by the Magi to Jesus, Mary and Joseph. They are not so different, our daily epiphanies and the Epiphany celebrated today. The arrival of the Magi certainly changed Mary and Joseph's perceptions of the world, the same way a helpless, tiny baby likely altered the Magi's insights as to what a star in the heavens would reveal. The story of the Magi—and the story of Jesus, Mary, and Joseph—is filled with unexpected changes in direction, as God's plan continues to vary when it encounters people who cooperate with it, and others who attempt to thwart it. A deep and long reflection on this day we call Epiphany will uncover numerous epiphanies.

STAR OF LOVE

Like all of the Christmas season, Epiphany celebrates God's eternal and infinite love. In a special way, this day shows how God's love is truly all-inclusive. The magi were not Jews, not part of the Chosen People who expected that the Messiah was coming to save only them. Early on in his Gospel, Matthew tells us that God's love will not be limited by our human presumptions or boundaries. We still struggle with the fact that God is constantly epiphan-izing us to grow beyond the limits of our experience or expectations, to move beyond the boundaries of the world around us. Let us pray that we might be given epiphanies to help us find grace where we didn't believe it existed, to aid us in understanding that God's love is most often shown by who is included, not who is excluded. May we open our eyes and hearts to know that the Christ-light shines everywhere.

An Epiphany House Blessing

On the Feast of the Epiphany, the family gathers to ask God's blessing on their home and on those who live in or visit the home. It is an invitation for Jesus to be a daily guest in our home, our comings and goings, our conversations, our work and play, our joys and sorrows. A traditional way of doing this is to use chalk to write **+20 C M B 23+** above the home's entrance. It can also be written somewhere inside the home.

The letters C, M, B have two meanings:

- They are the initials of the traditional names of the three magi: Caspar, Melchior, and Balthazar.
- They also abbreviate the Latin words *Christus Mansionem Benedicat* (May Christ bless this house)

The "+" signs represent the cross and 2023 the year.

Here is a suggested format for the blessing:

All Start with the Sign of the Cross

Leader: Peace be to this house and to all who dwell here in the name of the Lord.

All: Thanks be to God.

Reader: When Jesus was born in Bethlehem of Judea in the days of King Herod, behold, Magi from the east arrived in Jerusalem saying, "Where is the newborn king of the Jews? We saw his star at its rising and have come to do him homage." After their audience with the king, they set out. And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was. They were overjoyed at seeing the star, and on entering the house they saw the child with Mary, his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. And having been warned in a dream not to return to Herod, they departed for their country by another way. The word of the Lord.

All: Thanks be to God.

Leader: *Using chalk, write the following on the outside of the house or inside above the main entrance:* ***+20 Christus Mansionem Benedicat 23+*** *or* ***+20 C M B 23+***

All: Lord God of heaven and earth, you revealed your only begotten son to every nation by the guidance of a star. Bless this house and all who live here and all who visit. May we be blessed with health, kindness of heart, gentleness and the keeping of your law. Fill us with the light of Christ, that our love for each other may go out to all. We ask this through Christ our Lord. Amen.

All End with the Sign of the Cross

❖

Joseph Alois Ratzinger was born in Marktl am Inn, Bavaria, on April 16, 1927—Holy Saturday—and baptized that same day—the first person baptized in the new Easter water. It was a sign of blessing, he wrote in a memoir, that his life from the beginning was thus immersed in the Easter mystery. He entered the minor seminary in 1939 at the age of twelve, but his studies were interrupted by World War II, when the seminary was closed and Joseph, along with most of his class, was drafted into the army at the age of sixteen.

After the war he resumed his education in philosophy and theology, and together with his brother, Georg, was ordained a priest in 1951. During the course of a twenty-year career as a professor of dogma and theology at several German universities, he earned a reputation as a gifted lecturer and learned scholar, and was present as a *peritus*, or theological advisor, at all four sessions of the Second Vatican Council.

He was ordained an archbishop in May of 1977 and elevated to the College of Cardinals a month later. He settled in Rome in 1981 and went on to become one of the most influential men in the Roman curia. Of the many offices he held, he was best known as the Prefect of the Congregation for the Doctrine of the Faith, an authoritative advisor on doctrinal issues during his predecessor's pontificate. When he was elected the 265th successor of Peter in 2005 at the age of seventy-eight, he became the first German pope since Victor II in the eleventh century. A central theme of his papacy was the staunch defense of core Christian values against what he saw as moral decline across much of Europe. At the same time, he sought to improve relations with other religions, trying to determine if a "cultural synthesis" was possible without losing the identity of the faith while engaged in discourse with the Lutheran World Federation, Judaism, Islam, the Anglican Communion, and Christian Orthodox Churches. He also spoke out against human rights abuses and ongoing political conflicts and warfare, and advocated better protection of the environment. He called for a radical rethinking of the global economy, criticizing the growing divide between rich and poor, and pressed for a "true world political authority" to oversee the economy and work for the common good.

Ever true to his episcopal motto, "Fellow Worker in the Truth," Pope Benedict XVI's teaching and prolific writings always defended traditional Catholic doctrine and values.

On February 11, 2013, Pope Benedict XVI announced that on February 28, 2013, he would resign as supreme pontiff due to his advanced age and deteriorating health and that a conclave would be convened shortly thereafter to elect a new pope. He returned to Rome and remained there as Pope Emeritus after Jorge Bergoglio succeeded him as Bishop of Rome.

Eternal rest grant unto him, O Lord, and let perpetual light shine upon him.
